# Proposal

If we gain players and move up in the leagues, INCREASE OF COSTS IS INEVITABLE

Aim for self-sufficient senior club where:

- Match fees cover match costs
- Subs cover training and running costs
- P&P surplus accrued for future capital expenditure

### <u>SUBS</u>

Training+running costs £30k divided by 230 players:

# £130 subs

#### **MATCH FEES**

Home: £66 pitch + £20 umps + £69 teas Away: £30 average fuel per team

Collect <u>at least</u> £95 per team per game

(assuming everybody paid full – students subsidised by P&P – otherwise subs should go up to £145)

## £10 match fees

Contingent on captains collecting properly
